Computer Science MSc graduate with Distinction and professional experience in customer-facing operations and international coordination. Combines AI-assisted web project experience with stakeholder communication and team supervision. Seeking an entry-level role in implementation, technical solutions, QA or technical business analysis.

Education

MSc Computer Science (Conversion), Distinction Queen Mary University of London	Sep 2024 - Sep 2025
MSc Events Management, Merit Bournemouth University	Jan 2019 - Mar 2021
BA Taiwanese Literature and Mass Communication Providence University, Taiwan	Sep 2009 - Jun 2013

Project Technologies

Frontend: React, JavaScript, HTML, CSS, Tailwind CSS and responsive web interfaces
Backend and data: Python, Django REST Framework, REST APIs and PostgreSQL
Tools used in projects: Git/GitHub and Vite

Projects

LevelUp: Gamified Productivity Web App Live app Repository	MSc project, 2025
- Developed a gamified task-management web application with substantial AI assistance, combining a React interface, Django REST API and PostgreSQL database. - Recruited eight participants from varied professional backgrounds for a questionnaire-based evaluation of registration, task flows, quest timing and onboarding; feedback identified priorities for refinement.	
Job Tracker: Self-initiated Project	React, Tailwind CSS
Created an AI-assisted, responsive job-application tracker with add, edit and delete functions, status filtering and localStorage persistence.	

Work Experience

Key Holder / Sales Specialist VF Corporation, London Sales Associate (Dickies), Oct 2024 - Sep 2025	Oct 2025 - Present
- Lead opening and closing shifts, cash handling and floor priorities; explain tasks and service standards to colleagues and share shift handover updates. - Investigated missing coin-order information during the Dickies-to-Eastpak transition, contacting the cash-service provider and a former colleague to clarify account details and ordering procedures. - Proposed a revised store incentive approach focused on accessory sales and separate reward structures for different staff roles; shared it with the store manager's manager for consideration.	
Livestream & Social Media Coordinator Tomsu, Taiwan	2021; 2024
Coordinated remotely with livestream presenters and updated product listings in the platform administration interface during broadcasts.	
Sales Associate Skechers, London	Mar 2022 - Aug 2023
Provided customer service and supported new starters through shop-floor guidance and shadowing.	
International Liaison Office Intern China UK Gateway, London	Feb - Sep 2020
Gathered customer and market information and liaised with stakeholders in Mandarin and English for UK-China education campaigns.	
Vice Camp Director Elite International Education Group, Taipei	Sep 2015 - Aug 2017
Coordinated programmes for 200+ students across staffing, schedules, logistics, safety and instructor training.	
PR and Event Coordinator RS Multi-communication Consultancy, Taipei	Aug 2014 - May 2015
Supported a five-day public fair with approximately 300,000 visitors, 450 exhibitors and 16 participating countries, including media and VIP visit logistics.	

Additional Information

Mandarin Chinese: native | English: fluent
